3. FREE TIME

Export Goods

All export goods moving across facilities covered by the License Agreement will be granted eight (8) free days. Goods on Halifax Port Authority property in excess of this free time limit will be subject to storage charges as per Item 2 above. The eight days free time will be calculated backwards from the day the vessel commences loading (i.e. the first day of loading will be the 8th day of free time, if applicable). Goods floored prior to the free time are subject to storage. No free time is allowed on goods floored for a vessel and shut-out or not loaded to the vessel. Storage charges will apply on such goods from initial flooring date on the total amount of cargo shut-out or not loaded.

Import Goods

All import goods moving across facilities covered by the License Agreement will be granted eight (8) free days. Goods on Halifax Port Authority property in excess of this free time limit will be subject to storage charges as per Item 2 above. The eight days free time will be calculated forward from the day the vessel commences unloading (i.e. the first day of unloading will be the first day of free time, if applicable).

The Halifax Port Authority may, in its discretion, extend or limit any free time.
