APPENDIX 1

NOTICE RESPECTING THE TARIFF OF BERTHAGE AND ANCHORAGE RATES FOR NOTICE N-1

EFFECTIVE: Original 1999, Revised July 1, 2022

NOTICE APP-1

Short Title

1. This Notice may be cited as the Berthage and Anchorage Rates Tariff Notice.

Interpretation

2. In this Notice,

(a) "Anchorage" means a rate on a vessel while the vessel is occupying an anchorage area in the harbour;

(b) "Berthage" means a rate on a vessel:
(i) while occupying a berth, or while fast to or tied up alongside any other vessel occupying a berth at Authority property, or
(ii) not moored at but loading or unloading by lighter from or to Authority property;

(c) "Authority" means the Halifax Port Authority;

(d) "Authority property" means any wharf, pier, jetty, bulkhead or similar facility that is under the administration, management and control of the Authority at the harbour, and includes any such property under lease from the Authority;

(e) "Harbour" means the harbour of Halifax

(f) "Owner" includes the agent, charterer by demise or master of a vessel;

(g) "Registered Gross Tonnage" means the gross tonnage of a vessel calculated:
(i) on a basis that corresponds with or is equivalent to the method of calculating the gross tonnage of a vessel set out in the Rules as to the Measurement of Tonnage in Schedule I to the Canada Shipping Act; or
(ii) in accordance with Regulations 2 to 7 set out in the Annex I to the International Convention on Tonnage Measurement of Ships, 1969; and

(h) "Tonnage Measurement Certificate" means a certificate issued by a measurement authority recognized by the Authority that sets out the registered gross tonnage of a vessel.

HALIFAX PORT AUTHORITY

APPENDIX 1

NOTICE RESPECTING THE TARIFF OF BERTHAGE AND ANCHORAGE RATES FOR NOTICE N-1

EFFECTIVE: Original 1999, Revised July 1, 2022

NOTICE APP-1

Application

3. This Notice applies to any property under the administration, management and control of the Authority.

Rates

4. (1) The berthage and anchorage rates for Halifax harbour shall be the rates set out in the Schedule of Rates, N-1.
- (2) The rates prescribed by this Notice are due from the owner as soon as they are incurred and shall be paid to the Authority at its office in Halifax.
- (3) The rates referred to in Subsection (2) are payable within 60 days from the date due and, where the rates are not paid within the time, an additional rate of one and one-half percent (1 1/2%) of the rate payable shall be paid for each subsequent 30 day period or portion thereof that the rates remain unpaid.
- (4) For the purpose of assessing berthage
- (a) a vessel shall be regarded as occupying a berth from the time the first line is made fast until the last line is cast off; and
- (b) a vessel that occupies two or more berths in succession shall be regarded as occupying a berth from the time the first line is made fast to the first berth until the last line is cast off at the last berth.
- (5) Where a vessel that is not moored in the harbour is loading or unloading by means of a lighter from or to a berth in the harbour and the berth is reserved for the vessel, the vessel shall be regarded as occupying the berth and the berthage rate shall be fifty percent (50%) of the rate prescribed in the Schedule of Rates, N-1.

Exemptions

5. Notwithstanding Subsection 4(1), the rates prescribed by this notice are not payable in respect of
- (a) a vessel that is a non-commercial type or design, and belongs to Her Majesty or to a foreign government;
- (b) a vessel that is a pleasure craft not engaged in commerce;
- (c) a vessel that is moored in the harbour in the interests of the safety of navigation if that vessel departs from the harbour within a period of twelve (12) consecutive hours from the time it enters the harbour and does not engage in any commercial activity therein;

Exemptions continued

- (d) a tug that is assisting a vessel to dock or to leave a berth; or
- (e) a lighter that is loading or unloading goods from or to Authority property to or from another vessel not moored at such property.

Measurement of Vessels

6. (1) Where two registered gross tonnages are recorded on a tonnage measurement certificate, only the lesser of those tonnages shall apply for the purposes of this Notice.
- (2) Where the owner of a vessel is not able to produce a tonnage measurement certificate, the Authority may estimate the gross tonnage of that vessel and the gross tonnage so estimated shall be regarded as the registered gross tonnage for the purposes of this Notice.
- (3) Where the owner of a vessel produces a tonnage measurement certificate, but the gross tonnage shown therein has not been calculated as described in the definition "Registered Gross Tonnage" in Section 2, the owner of the vessel shall deposit with the Authority, in addition to the rates payable on the basis of the gross tonnage so shown, an amount equal to twenty percent (20%) of those charges.
- (4) If, within six (6) months of the deposit of the additional amount referred to in Subsection (3), a certificate showing the gross tonnage calculated as described in the definition "Registered Gross Tonnage" in Section 2 is presented to the Authority, by the owner, the rates payable by him shall be re-calculated on the basis of the gross tonnage shown on that certificate and such portion of the deposit, if any, as is not required for payment of rates shall be returned to the owner.

Other Rates

7. The rates prescribed by this Notice are in addition to any other rates prescribed in any other Notice or that may be owing to the Authority.
