

How to Access the Halifax Cruise Schedule on PortControl

STEP 1: Visit our PortControl website at <https://portcontrol.portofhalifax.ca/>

STEP 2: On the left side of the screen, click the three line menu icon  to reveal a larger menu.

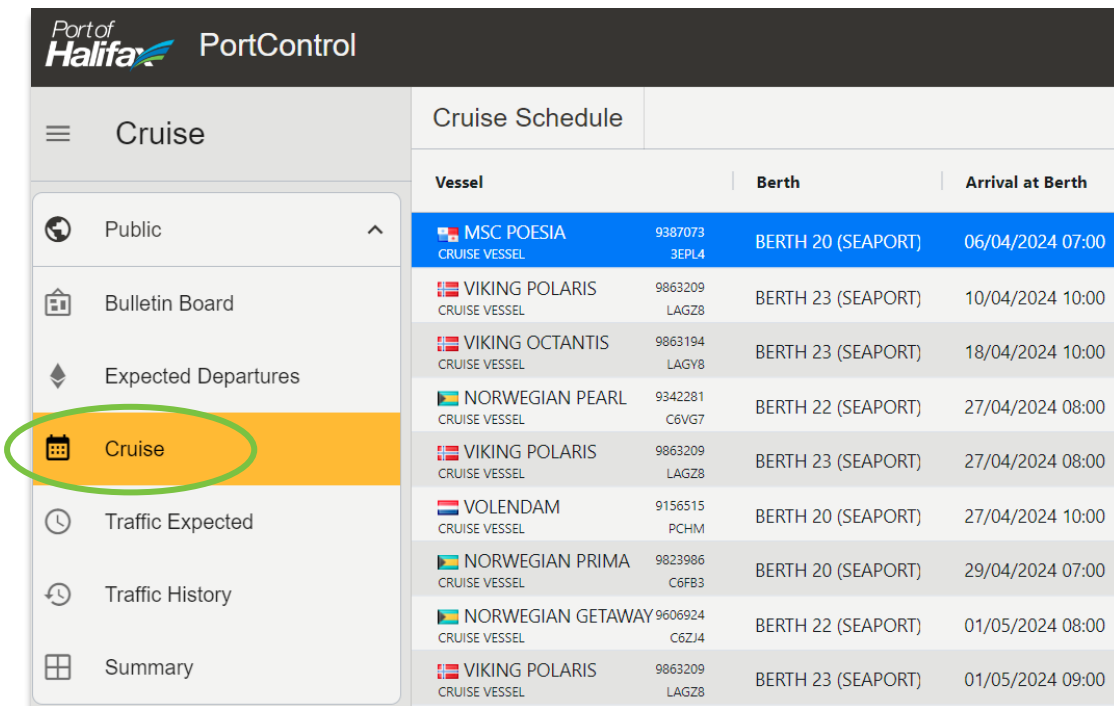

STEP 3: Click on “Public” to reveal more menu options.

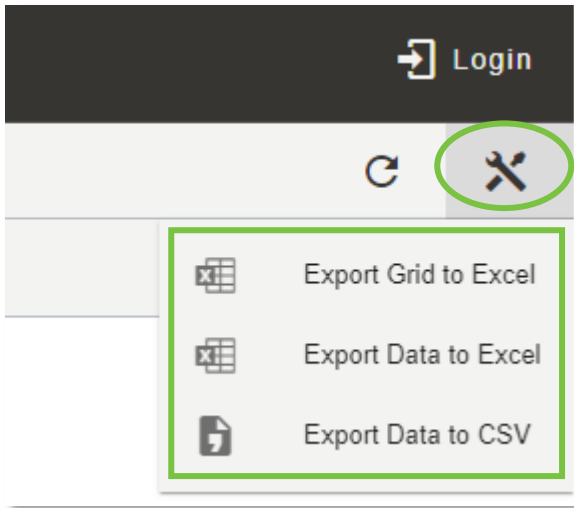

STEP 4: Click “Cruise” to view the live cruise schedule.

Under this menu you can also access other information related to vessel traffic at the Port of Halifax.

EXPORTING THE CRUISE SCHEDULE:

PortControl includes an option for you to export a copy of the schedule to Excel or CSV file. On the right side of the screen, click the tool icon, and then select your Export option. Once you export the data you may choose to save a copy to your device, or print a copy, if desired.

The schedule is subject to change at any time, please check back often for updates.

You can also access PortControl from the [Port of Halifax homepage](#).
